Lahore.

Subject: REQUEST TO MANDATE FINAL YEAR STUDENTS' PARTICIPATION OF ALL DEPARTMENTS/ INSTITUTES/ COLLEGES/ CENTRES IN THE UPCOMING MEGA JOB FAIR 2025

Respected Sir,

I hope this letter finds you in good health and spirits. As the Director of the Career Counselling and Placement Centre, I am committed to ensuring that our students have access to the best possible career opportunities and are well-prepared for their transition into the professional world.

As you know, we are organizing a Mega Job Fair 2025 on 11th February 2025 at the Law College Ground from 9:00 a.m. to 4:00 p.m. This event will feature 60 esteemed employers of various industries, offering valuable career prospects to our graduating students. It will provide them with direct exposure to recruiters, potential job openings, and networking opportunities essential for their professional growth.

To maximize student participation and ensure they fully benefit from this opportunity, I request your esteemed office to issue a directive to all Heads of Departments to make attendance at the Job Fair **mandatory** for all final-year semester students. This will not only reinforce the importance of career readiness but also strengthen our institution's reputation for producing employable graduates. We also requested all departments to conduct pre-job fair CV writing and Mock interview sessions for their students to ensure their preparedness with the employers.

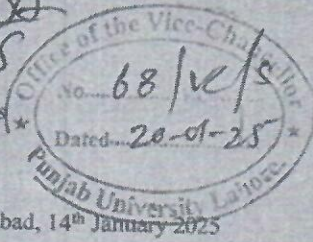

Your support in this matter will greatly contribute to our student's career development and enhance the overall impact of the university's placement initiatives. I would be grateful for your approval and assistance in implementing this directive.

Thank you for your time and consideration. I look forward to your positive response.

Yours sincerely,

Dr. Fouzia Hadi Ali
Director

GOVERNMENT OF PAKISTAN
Ministry of Planning, Development & Special Initiatives
(Sustainable Development Goals Section)

Islamabad, 14th January 2025

F.NO 11(SB)509/PO/15/2022

SUBJECT: ENGAGEMENT OF STUDENTS FOR 'YoUNGS' INITIATIVE, FOR SDGs

Dear Sir/Madam,

Pakistan is a signatory to Sustainable Development Goals and is the first country in the world to adopt SDGs as the national development agenda through a National Assembly Resolution for the acceleration of SDGs. Ministry of Planning, Development & Special Initiatives developed the National SDGs Framework and aligned several national policies and plans with SDGs, followed by frameworks for provinces and area governments. Efforts have also been made to mainstream SDGs in development planning and budgeting processes of the government at all levels. In addition to that evidence based policy making, awareness raising, coordination, partnerships and learning alliances on SDGs have also been enhanced.

2. SDGs is an ambitious agenda and the achievement of its targets requires collective efforts of all stakeholders. The role of academia is core to achieve SDGs in the evidence based policy as well as teaching the sustainability curriculum to the students and comply with the spirit of SDGs, i.e. inclusivity, equity and sustainability.

3. We have been working on the university engagement since 2018 for implementing SDGs and look for innovative ideas to implement and accelerate the progress of SDGs. To take this objective further, we are planning to engage university students under its Youth University Network on SDGs (YoUNGS) initiative. With nearly one third of the country's population comprising of youth it is necessary to engage them for the acceleration of SDGs implementation in Pakistan through awareness raising, advocacy and innovation.

4. In view of the above, it will be appreciated if your university could kindly nominate 17 undergraduate/graduate students, preferably in 2nd and 3rd semester/year of their degree program from all disciplines to come forward and form a formal group of YoUNGS (each representing one SDG). Similarly, a focal person may also be nominated from your official Staff/faculty for further coordination with this Ministry. In the year 2024, focal persons from 150 universities were successfully designated. We now request that new nominations for student ambassadors be kindly provided by 31st January 2025 for the year 2025.

5. For further information or clarification, please contact Ms. Aiman Amjad, Assistant Chief SDGs at +92-335-5123304 or email your queries at youngs.sdgs@gmail.com.
